Wake Forest, NC 27587

What is CHERUBS?

No one knows what life is like with a child born with CDH like the other parents who have walked this path. It is a very emotional, stressful, and physically demanding time. Just knowing you are not alone can make all the difference in the world. CHERUBS was founded so that no family has to go down this path alone.

Our Organization

CHERUBS is an international organization for families and care-givers of children and adults who are diagnosed with Congenital Diaphragmatic Hernia (CDH). As of November, 2008, we have over 2600 members in all 50 states and 38 countries. Our Board Members include the founding father of in-utero surgery, genetic counselors, epidemiologists, nurse practitioners, parents of CDH survivors and non-survivors, and some of the best pediatric surgeons in the world. We are a volunteer-run organization and a United States Internal Revenue Service recognized 501(c)(3) Non-Profit Organization.

FUNDRAISING
for

CHERUBS

The Association of Congenital Diaphragmatic Hernia
Research Awareness, and Support

Bake Sale

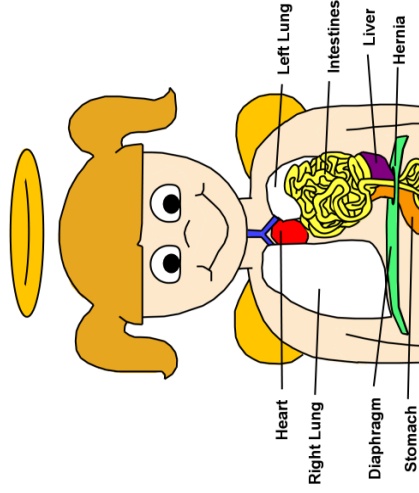

Over 1600 babies are born each year in the United States with C.D.H. 50% of these babies do not survive. 50% win the CDH war but many still fight battles. Help us to fight this war against Congenital Diaphragmatic Hernia.

CHERUBS is here for these families, offering information and support, bringing awareness to Congenital Diaphragmatic Hernia and promoting research to help find the cause and prevention of this devastating birth defect.

"The measure of life is not its duration" - Peter Marshall

Congenital Diaphragmatic Hernia

www.cdhrefsearch.org

What is CDH?

Congenital Diaphragmatic Hernia (CDH) occurs in approximately 1 in every 2,500 births (1,600 cases in the U.S. each year). The cause of CDH is not yet known. The diaphragm is formed in the first trimester of pregnancy and controls the lungs' ability to inhale and exhale. CDH occurs when the diaphragm fails to form or to close totally and an opening allows abdominal organs into the chest cavity. This inhibits lung growth.

Every patient diagnosed with CDH is different. Survival rates depend on the types and number of organs involved in the herniation and the amount of lung tissue available. There are many surgical procedures and complications that may or may not occur with each individual, including in utero surgery.

Roughly 50% of babies born with CDH do not survive. Of the 50% that do survive, most will endure long hospital stays, feeding issues, asthma and other problems. A few of the survivors suffer from severe long-term medical issues.

CDH occurs as frequently as Spina Bifida and Cystic Fibrosis, yet there is very little research being done and virtually no media coverage.

This is an easy and FUN way to raise CDH Awareness and to fundraise for CHERUBS!

Type of Event / Fundraiser: Bakesale

Items Needed: Table with tablecloth, food items to sale that are packaged nicely (cookies, brownies, cupcakes, breads, candy, ect...), a lock box for money, change for cash flow, signs to hang up around your booth to advertise fundraiser.

Media Needed: Possibly, to raise awareness

What is Tax Deductible: All purchases are tax deductible if a receipt is given or the customer pays with a check to have record of purchase.

How Do I Set A Date: Outside of businesses on a Saturday morning is a great time. Contact grocery stores, bookstores, home improvement centers, video stores, libraries, post offices, shopping malls or department stores. A booth at a sporting event or local craft fair is a great time too. Planning a bake sale around a holiday such as Valentine's day or

Christmas is sure to attract buyers to your booth.

Who Can Participate: A bake sale is pretty easy to organize, all you need is a group of willing bakers to whip up some homemade goodies and package them, and willing volunteers to man the booth and sell the treats in support of your cause.

Do I Need Permission: Check with location or place of business if it is okay to set up a booth and hold a bake sale.

How Do I Advertise: Flyers/posters around town, include churches and clubs, grocery store/restaurant bulletin boards, place of employment.

What I Do I After The Event: Send CHERUBS a record of purchases, donations and the final amount raised. Please leave location of sale as you found it.

What Else Do I Need To Do: Take photos for CHERUBS newsletter and web site.

As with all fundraisers and events. ALWAYS make sure to follow all local, state and federal laws and always be safe
